Ahtna Global, LLC (AGL) is one of seven wholly owned subsidiaries of Ahtna Diversified Holdings, LLC (ADH), a holding company that is in turn wholly owned by its ultimate parent company, Ahtna, Inc., an Alaska Native Regional Corporation. AGL specializes in providing construction, environmental, engineering and remediation, facilities management and support, and professional services to government and private clients. With corporate and project offices coast-to-coast and experience completing projects in some of the most remote locations of the world, AGL is positioned to support work across the globe.

Established in 2016, AGL is headquartered in Anchorage, Alaska with offices in Alabama, California, Colorado, Hawaii, Missouri, South Carolina, and Washington, the majority of which are bona fide through the SBA. We stand with you, ready to collaborate and provide the innovative solutions you need.

As an 8(a) subsidiary of an ANC, Ahtna Global allows our DoD clients to direct award up to \$100M (\$25M for non-DoD clients) without protest while also providing \$500M in bonding capacity and an outstanding safety record.

AWARD WINNING FIRM

AGL's outstanding safety record received recognition in 2020 when the Association of General Contractors' awarded AGL with the ConocoPhillips "Excellence in Safety-Heavy Division" award.

CORE CAPABILITIES

Environmental AE Services/HTRW

- Environmental Assessment and Investigation
- Remedial Design and Remedial Actions (including PFAS and MMRP)
- Long-term Monitoring and Operations
- Environmental Planning and Consulting

Construction (Vertical/Horizontal)

- New Construction and Renovation
- Sustainment, Restoration, Modernization (SRM)
- Petroleum, Oil, Lubricants (POL) Construction
- Range Construction and Improvements
- Design-Bid-Build/Design-Build
- Underground Utilities Installation
- Heavy Civil Grading and Excavation

Professional Services and Technology

- Information Technology
- Facility Operations
- Janitorial/Custodial Services
- Professional and Administrative Services
- Records Management

DIFFERENTIATORS

AGL's unique management structure offers flexible, collaborative, and streamlined procurement options to our customers. Our ability to legally share common management and past performance experience while maintaining our small business status provides our clients with the expertise and confidence that comes from working with a large, well-established firm, while still offering the flexibility, transparency, and intimacy of working with a small, disadvantaged 8(a) company. Differentiators include the following:

- Ability to perform work in secured, sensitive and top-secret facilities and locations including SCIFs and SAPFs
- Ability to rapidly mobilize and respond to surge requirements
- Direct Award Cap Exemption 13 CFR 124.506(b)
- DoD Indian Incentive (The 5% Subcontracting Bonus)-DFAR 252.226-7001
- Expedited contracting through the ANC 8(a) process
- Financial stability-\$100M/\$500M bonding capacity
- More than 400 program and project personnel (including sister subsidiary support)

- Non-Challenged 8(a) Direct Award 13 CFR 124.517(a)
- Outstanding safety record-EMR of 0.77
- Performs more than 200 federal contracts annually

STRATEGIC PARTNERSHIPS

Ahtna Global has an SBA approved Mentor-Protégé with Mortenson Construction. In addition, we have an established Joint Venture with the IT powerhouse firm, Resource Data, Inc., out of Anchorage, AK. The Ahtna-RDI JV is a STARS III contract holder which is an ideal way for agencies to access our services. These partnerships enhance the competitive landscape of our 8(a) certified small business through the support of these specialty firms, adding to the breadth of our capabilities.
