Ahtna Solutions, LLC (ASL) is one of seven wholly owned subsidiaries of Ahtna Diversified Holdings, LLC (ADH), a holding company that is in turn wholly owned by its ultimate parent company, Ahtna, Inc., an Alaska Native Regional Corporation. Team based and purpose driven, Ahtna offers a comprehensive list of services including environmental, construction, information technology, and professional services.

Established in 2019, ASL is headquartered in Anchorage, Alaska with offices in Alabama, California, Colorado, Hawaii, Missouri, South Carolina, and Washington, the majority of which are bona fide through the SBA. With corporate and program offices coast-to-coast, ASL is positioned to support nationwide government programs.

As an 8(a) subsidiary of an ANC, Ahtna Solutions allows our DoD clients to direct award up to \$100M (\$25M for non-DoD) without protest while also providing \$500M in bonding capacity and an outstanding safety record.

CORE CAPABILITIES

Environmental AE Services/HTRW

- Environmental Assessment and Investigation
- Remedial Design and Remedial Actions (including PFAS and MMRP)
- Long-term Monitoring and Operations
- Environmental Planning and Consulting

Construction (Vertical/Horizontal)

- New Construction and Renovation
- Sustainment, Restoration, Modernization (SRM)
- Petroleum, Oil, Lubricants (POL) Construction
- Range Construction and Improvements
- Design-Bid-Build/Design-Build

Professional Services and Technology

- Information Technology
- Facility Operations
- Janitorial/Custodial Services
- Professional and Administrative Services
- Records Management

DIFFERENTIATORS

ASL's unique management structure offers flexible, collaborative, and streamlined procurement options to our customers. Our ability to legally share common management and past performance experience while maintaining our small business status provides our clients with the expertise and confidence that comes from working with a large, well-established firm, while still offering the flexibility, transparency, and intimacy of working with a small, disadvantaged 8(a) company. Differentiators include the following:

- Ability to rapidly mobilize and respond to surge requirements
- Direct Award Cap Exemption 13 CFR 124.506(b)
- DoD Indian Incentive (The 5% Subcontracting Bonus)–DFAR 252.226-7001
- Expedited contracting through the ANC 8(a) process
- Financial stability–\$100M/\$500M bonding capacity
- More than 400 program and project personnel (including sister subsidiary support)
- Non-Challenged 8(a) Direct Award 13 CFR 124.517(a)
- Outstanding safety record–EMR of 0.77
- Performs more than 200 federal contracts annually

STRATEGIC PARTNERSHIPS

ASL has established Mentor-Protégé agreements with Arcadis and Advancia under the Small Business Administration's "All Small" Mentor-Protégé (MP) program. These agreements bring together a top Alaska Native Regional Corporation and industry leaders. Under the MP program, the mentor (Arcadis and Advancia) provides its protégé (ASL) with various types of business development assistance.

The benefits of the Ahtna's MP partnerships are as follows:

- The MP partnership allows ASL to service the Federal government as an 8(a) with the expanded capabilities of a larger entity.
- ASL is able to use the mentor's portfolio of work to show experience to compete on Small Business set asides for the Federal Government.
- Arcadis and Advancia mentors ASL on best practices executing U.S. Federal contracts.
